Report presented to and adopted by the London and Home Counties Joint Electricity Authority upon the memorandum, dated 24th November, 1943, issued by the Incorporated Association of Electric Power Companies, with regard to the electricity supply industry in Great Britain.

The Authority, at its meeting held on Thursday, the 6th January, 1944, approved and adopted the following report and recommendation submitted by the General Purposes Committee :—

"We have considered memorandum on the electricity supply industry, prepared by the Incorporated Association of Electric Power Companies, and append copy of a report thereon which we have approved.

We recommend that the attached report be approved and adopted by the Authority, and that a copy thereof be transmitted to the Minister of Fuel and Power and other appropriate Ministers, and also to the Electricity Commissioners."
